**FLYTE TYME® WORLDWIDE TRANSPORTATION WINS 2013 OPERATOR OF THE YEAR
AWARD FROM LIMOUSINE, CHARTER & TOUR (LCT) MAGAZINE**
*Company Receives Professional Recognition for Outstanding Professionalism, Efficiency,
Customer Service and Industry Involvement*

MAHWAH, N.J. – February 26, 2013 – Flyte Tyme® Worldwide Transportation, headquartered in Mahwah, N.J., was recently awarded the 2013 LCT Operator of the Year Award in the category of 51+ vehicles. *LCT* magazine is the oldest and most established trade publication for the ground transportation industry in the world and recognizes excellent performance among chauffeured transportation operators each year with its Operator Of The Year Awards. Since 1990, qualified finalists and winners have been recognized for their achievements and promoted as positive examples to the industry.

Flyte Tyme Worldwide Transportation operates 425 vehicles throughout the greater NY-NJ-CT-PA quad state area as well as Los Angeles, CA. It is the 6th largest global ground transportation provider and has a network of affiliate service providers in more than 350 cities worldwide.

“We are overjoyed at the honor of winning the most prestigious award in the chauffeured transportation industry as well as being recognized by leading professionals,” said Timothy Rose, President and CEO of Flyte Tyme Worldwide Transportation. “Our team of qualified and dedicated experts take great pride in their profession and make sure that the service they provide clients with is exceptional.”

For more information about Flyte Tyme Worldwide Transportation, please call (888) 888-5466 or visit <http://www.flytetymelimo.com>.
